**Years of Coaching**

1+ years

**Coaching Experience**

Pre-CanSkate, Can-Skate

**Coaching Philosophy**

Figure skating is truly my passion, and something that I have lived and breathed as long as I can remember. As a coach, I want my students to be given the opportunity to step on the ice, glide, spin, jump and most importantly have fun. I believe that every child should have the opportunity to learn to skate and hopefully fall in love with the sport the way I did.
